Elderly Driver Car Accident Attorney in Atlanta Offers Tips After an Accident

February 10, 2021

February 10, 2021 -
The Atlanta-based law firm, The Brown Firm, is a top GA auto accident lawyer. Their attorneys released an article stating the benefits of hiring professional personal injury lawyers for car accidents caused by elderly drivers. Road accidents claim too many lives in Atlanta, says the article post, adding that vehicles are dangerous for elderly drivers, given their lowered reaction times, which ?can create danger on the road.?

Harry Brown, the top auto accident attorney in Atlanta, GA, says, ?It is important to remember that simply because a driver is advanced in years, does not mean they are incapable of driving. A common thought behind this occurrence is that it is a result of their specific age. Contrary to popular belief, a person?s actual age has nothing to do with it.?

The article asserts that any driver can cause an accident, irrespective of age. As far as elderly driving auto accident victims are concerned, it has been found that the risk of elderly driver car accidents increases when drivers age 75 years or more.

An experienced Atlanta car accident lawyer is the best person for a consultation to help with the claims process. The Brown Firm team of personal injury attorneys has over 30 years of experience working in the field representing victims of elderly car accidents in Atlanta.

Every elderly driver accident cases have different goals. In Atlanta, the top car crash lawyer adds that ?The Brown Firm team focuses on getting the compensation the victims deserve for their injuries, such as medical expenses, property damage, lost wages, and pain and suffering.?

The top elderly driver car accident attorneys leverage their experience and deep understanding of Georgia law to negotiate the best settlement for victims and represent them aggressively in court against older drivers. The Brown Firm focuses on getting the best possible outcome for the victims of negligent senior citizen

driving accident cases.

Harry Brown advises seeking immediate medical attention for victims of elderly car accidents in Atlanta to quickly recover from injury and reduce the risk of disability or death. Getting medical attention is also important to diagnose any hidden injuries, which may not be present immediately, and document all injuries.

The article warns that any delay in seeing a doctor may amount to losing the compensation claims case.

The top personal injury lawyer in Georgia emphasizes the importance of immediately calling the police at the accident scene.

The article encourages victims to gather evidence; ?If you're capable, you can start gathering evidence that can be crucial for your case at the scene of the accident. This step alone can make or break your case. You can use the camera on your phone to take pictures from different angles of injuries, damages to the vehicle, or any other physical damages resulting from the accident.?

The role of a Georgia car crash lawyer specializing in handling claims of victims injured in accidents caused by elderly drivers is essential. Harry Brown suggests that the top elderly car accident lawyer in Atlanta, GA knows how to direct the victim in the best direction to get the deserving compensation for their injuries. Cautioning against talking with the other driver?s insurance agent or attorney, he warns, ?They can get some information from you and then use it against you during the process.?

Anybody injured due to the negligence of elderly drivers should contact The Brown Firm Atlanta auto accident lawyers for a free consultation on their website. Its GA injury lawyers can do all the necessary documentation for a client, discuss settlements, and fight for their legal rights to compensation.
