Some procedures may require multiple visits, and patients can be sure that every visit will be quite pleasant.

"I have to say I rave about Dr. Sandler to everyone I see," says a Google review of the Solana Beach dental office. "She is so gentle and efficient. Dr. Sandler and her staff make you feel at home the first visit. For the first time, I think I can get my teeth truly in good enough shape. Dr. Sandler came in to repair a temporary crown on a Sunday and we got it done - just the two of us. Confidence is what I have in this team, including my cleaning! All great! Please never go away!"

Another review on the same platform states that it is, "Always a pleasure going to Solana Family Dental. Every member of the staff are friendly, welcoming and knowledgeable. You really get the best service. If you dread dentist visits, you are just not going to the right people. Trust me, Dr. Sandler is the best of the best. Thank you for everything, SFD!"
