Office Cleaning Commercial Cleaning Sydney Company Announces 24/7 Service Availability

February 12, 2021

February 12, 2021 -
Office Cleaning Commercial Cleaning Sydney, a commercial cleaning company based in Sydney, has recently announced that it now provides cleaning services with 24/7 availability. This is a cleaning company located in the heart of Sydney and providing services to all types of commercial premises & property owners around the city.

Having their own company vehicles and plenty of resources, cleaning tools & solutions, their cleaners often cater to the cleaning needs of businesses located in all major suburbs of Sydney.

It?s very uncommon for a cleaning company in Australia to be available 24-hours, 7-days a week for the service of its clients. It seems practically unfeasible, but Office Cleaning Commercial Cleaning Sydney has made it possible through their sheer dedication towards community service & betterment.

?We understand it?s difficult to stay open 24/7 and provide instant cleaning services to clients when they need it the most. But, it?s possible. Hire Office Cleaning Commercial Cleaning Sydney at Affordable Rate, we have separate teams working in different shifts, providing cleaning services to our clients throughout the city and suburbs of Sydney. We provide services before, during and after regular work hours as well as on weekends, so feel free to book us for office clean as per your preferred schedule,? says the company representative.

Office Cleaning Commercial Cleaning Sydney is the first registered cleaning company in Sydney that practically ?never sleeps?. Their support team is also available 24x7 and can be contacted for any kind of support needs for any ongoing or future projects. They are approachable via call, email and chat support (website).

Office Cleaning Commercial Cleaning Sydney has been providing commercial cleaning & office cleaning

services in the Great Sydney area for almost 20 years now and has a full-time team of experienced & trained office cleaners.

The company always uses its own cleaning resources and never outsources cleaners or solutions from outside, which helps maintain integrity and ensure consistent top-level services to all its clients. Also, the company has the policy to use strictly eco-friendly solutions and cleaning practices to protect the health interest of both the customers and the cleaners.

Office Cleaning Commercial Cleaning Sydney has been in the cleaning business for many years now and has recently upgraded its services to include disinfection cleaning. They have also expanded the business to cover all suburbs of Sydney. Yes, the company now provides cleaning services in all 658 suburbs of Sydney. To know more about their service locations and availability, one can visit the website https://www.officecleaningcommercialcleaning.com.au.

In the aftermath of the COVID pandemic, to meet the increasing demand for expert disinfection cleaners, Office Cleaning Commercial Cleaning Sydney started upgrading its services, adding new technologies & COVID expert cleaners to the team. It?s also one of the first companies in Sydney to adopt the much-acclaimed Electrostatic Disinfection technology, which is claimed to have up to 99.99% of success rate in removing all kinds of general bacteria and viruses, including the coronavirus.

As a part of its full-service commitment, Office Cleaning Commercial Cleaning Sydney provides a complete suite of commercial cleaning services to a variety of businesses in the city. These include offices, restaurants, malls, retail stores, gyms, health clubs, schools, child care centers, hospitals, warehouses, factories, strata buildings, and more. Also, the company offers other services like carpet cleaning, after builders cleaning, move-in/move-out cleaning and disinfection cleaning.

Their cleaners can also be hired for the same-day cleaning of a commercial facility, however, the availability of this service is subject to the availability of cleaners on short notice.

?Since our foundation, it has been our goal to provide top-quality cleaning services to our customers at the lowest rates possible. If you look at our prices, you?ll find that our packages are the most competitive in the industry. Yet, we continue to offer great quality services in line with industry standards.?

Office Cleaning Commercial Cleaning Sydney is also one of the first companies to have completed the COVID-19 control training & certification offered by the Department of Health. This certifies them to offer safe & effective COVID cleaning services & solutions to businesses looking to continue their operations in safe and germfree premises.

Companies, business owners & property managers looking for a professional commercial cleaning company offering 24x7 services can contact Office Cleaning Commercial Cleaning Sydney to request a free quote.
