Wynnewood, PA - The Philadelphia adoption agency at Adoption From The Heart has announced their upcoming webinar on learning about domestic infant adoption. The informative webinar will be hosted on February 17th, 2021, at 7 PM through zoom and will be recorded at their Philadelphia adoption agency at: 30 Hampstead Cir, Wynnewood, PA 19096, USA.

AFTH Director Maxine Chalker shares, "Joining this webinar is a wonderful way to learn more about Adoptions From The Heart and our Domestic Adoption Program. This program places infants directly from the hospital straight into the arms of their adoptive parents."

The adoption agency in Philadelphia offers a wide variety of adoption services to pregnant women and prospective adoptive parents throughout the Greater Philadelphia area. The caring and compassionate adoption professionals have shared that the webinar is free of charge and is lead by an AFTH social worker who will be able to answer any questions.

Ms. Chalker continues, "If you're interested in attending the event, please register online by emailing adoption@afth.org. We are looking forward to meeting everyone and are excited to provide prospective adoptive families with helpful and educational information on the domestic adoption process."

Along with serving all of Philadelphia, the adoption agency from their Wynnewood office also extends their services to neighboring cities, including Juniata, East Falls, Allegheny West, Kensington, Olney, Stenton, Wister, Belfield, Chestnut Hill, Penn-Knox, Cedarbrook, Wyndmoor, Andorra, Germantown, North Philadelphia, and Laverock.
