Family Roots Provide Express Employment Professionals a Legacy Built to Last

BEND, OR ? Express Employment Professionals is one of the fastest-growing staffing companies and native Oregonian, Bill Stoller, Founder, CEO, and Chairman of the Board of Express Employment Professionals International, is excited to announce his new role as owner of the Bend Express Employment Professionals franchise.

Joining Stoller in this venture is fellow Oregonian Jenny McCallum, President, Developer, and Franchise Partner of several existing Express franchise locations across Oregon, Washington, Colorado, Arizona, and Nevada.

?Jenny and I are honored and humbled to carry on the legacy that veteran Express franchisees Connie Worrell and Stephanie Miller have each instilled within the Bend and Redmond communities,? Stoller said.

?This special opportunity to blend two Oregon family legacies and furthering the Express mission to create sustainable employment opportunities in our community is a dream come true.?

The acquisition of the Bend employment agency adds the location to the Stoller Group of companies, including Specialized Recruiting Group, Express Healthcare Professionals, Xenium HR, Stoller Family Estate, and the 28 Express Employment Professionals locations in Oregon, Washington, Colorado, Arizona, and Nevada.

McCallum began her career with Express Employment Professionals in 1996 as a temporary associate. That opportunity transitioned into a 24-year career-path, leading to her present tenure serving as the President, Partner, and Developer of the Express Employment Professionals franchises within the McCallum Region.

?Express is founded on the principle of helping people succeed,? McCallum said. ?Connie and Stephanie are the embodiment of that principle and we?re excited to expand on the framework they created in Bend as we advance our core company values of Integrity, Teamwork, People, and Build to Last.?

McCallum credits Worrell and Miller for helping shape her career journey, noting Worrell?s mentorship served as a key pillar of her success.

?On top of being an iconic business leader, Connie is the kind of mother and grandmother I aspire to be. Her mentorship has been a true gamechanger in my professional life,? McCallum said. ?Thankfully, I?ve also had the opportunity to grow up with Stephanie in this business, working alongside her for the last 23 years. These relationships further cement the honor it is for us to continue the success and legacy of helping people find jobs in Bend,? said McCallum.

Joining the Bend team as Franchise Manager is Chris Petty, who has worked in the Hillsboro Express franchise location for four years. Hand-selected from the Express emerging leadership program to relocate to Bend, Petty brings his childhood love of the Central Oregon area and his many years of sales, staffing, and leadership experience to his dream career journey in Bend.

?It is a privilege to team up with Jenny and Bill to continue a history of hope through employment across the Bend community,? Petty said.

Rounding out the Bend staffing solutions team, Petty will work alongside a 23-year staffing veteran and Managing Director and Professional Recruiter for the Bend office, Karen Turner.

?We have navigated some great and challenging times, together, and it has been an honor to serve with Connie, my coach and champion, and Stephanie, my ?partner in crime,? on the Express Bend team for the

last 23 years," Turner said. "I'm thrilled to continue their passion while supporting the community I love alongside Jenny, Bill, and the entire Stoller Group of companies."

The Express office is located at 61379 South Highway 97, Bend, OR 97702, and local businesses and job seekers are encouraged to stop by the office or call (541) 389-1505.

"We truly believe that a job can be a turning point in someone's life, and we're looking forward to continuing the legacy built-in the Bend community as we help people find great work, by helping businesses find great people," McCallum added.

The Bend Express office is a franchise of Express Employment Professionals and is the business of people. From jobseekers to client companies, Express helps people thrive and businesses grow. Providing localized staffing solutions to our community, Express employed 552,000 people across North America in 2019. For more information, visit www.ExpressPros.com/BendOR.
