Company Representative, Minta Boles, stated, "We always appreciate feedback from our customers. Nothing is more rewarding than knowing we hit the mark and provided great service to a customer".

Tree Service Experts Manteca is making it easy for new customers to try their services by offering for a limited time special discounts on all services including tree removal, tree trimming and arborist services. While it may be tempting for some home and property owners with large trees to attempt to service their own trees, the work can be more challenging than expected. Servicing large trees can be dangerous work and it

may be best to leave it to the professionals. Tree care companies like Tree Service Experts Manteca have the knowledge of the tree species in the region and are experience in their proper care to keep them healthy.

Tree Service Experts Manteca has on staff certified arborists who manage every customer job. Certified Arborists, certified by the ISA (International Society of Arboriculture), are arborists that follow a code of ethics that ensures the reliability and credibility of their work. Prior to being even considered for certification by the International Society of Arboriculture, arborist are require to have a minimum of 3 years documented experience. For tree service, companies with certified arborist homeowners tend to trust they are in good hands.

Company representative, Minta Boles, stated, "With our certified arborists on staff we are uniquely positioned to take on any size job large or small. Our customers will get professional service whether it be for tree hazard assessments, or simply helping them to plan their landscape. Our arborists are highly skilled and knowledgeable due to their training. When working with us, homeowners can have peace of mind knowing they are working with true tree service professionals and will get the results they are seeking."
