Malaysian Reputation Marketing Company BizBuildUp Elevation Announces Free Program For OneBuild 2015 Participants

September 15, 2015

September 15, 2015 -
BizBuildUp Elevation, a reputation marketing company based in Malaysia, has announced the availability of a free service program in support of OneBuild 2015, the 4th Malaysia International Building, Construction & Infrastructure Technology Exhibition that is taking place from 17 to 19th September 2015 at the Putra World Trade Centre. The free online publicity program will be offered to qualified international and Malaysian construction companies that are participating in the exhibition in Kuala Lumpur.

M.G. ONG, BizBuildUp Elevation?s principal consultant, says, ?There has been an increase in the number of Malaysian companies trying to profit from the domestic construction market. However, the same cannot be said when it comes to local companies that are well-known and established globally. Our online publicity program is designed to help promising companies in the construction trade get more exposure on the international front and attract the attention of their global target audience. This will get them started on the right path to profit from the global construction market, an industry that?s estimated by market research firm Lucintel to exceed US $10,388.6 billion by 2019.

This free program is available for a limited time only. Enquiries are welcome from participants in the 3-day OneBuild 2015 trade fair, one that has been established as Malaysia's most exclusive and industry-specific trade exhibition for construction sector, a pivotal international event that is now regarded as the destination of choice for local and regional companies to expose and highlight their latest offerings and innovations to thousands of industry-related visitors.?

For more information on the free BizBuildUp Elevation publicity program, please contact M.G. ONG at mgong@bizbuildupelevation.com. M.G. ONG can also be reached at +60 12 332 1063.
