Customers can find out more about the dealership by visiting one of its press releases at https://www.pressadvantage.com/story/40876-town-country-used-volkswagen-dealership-in-markham-comments-on-2021-line.

The review posted on Google by Jasmin Shiny, says, ?I have never written reviews, this is my first one as I cannot leave without writing for their exceptional service by Alan Cheung and his manager. Alan Cheung made our shopping experience incredible. He is very transparent about the car details and what to expect in terms of pricing. He even offered advice on what I should and shouldn't do and how his suggestions would benefit me in the long run. He never pushed me to make the purchase and gave me space to talk with my family and make a good decision. We are incredibly happy we decided to purchase through this dealership and salesperson Alan. Although this purchase did not happen due to the availability and our requirement. I

definitely recommend going to Alan Cheung for all your vehicle needs. Thanks to Alan Cheung and his manager for going above and beyond to provide exceptional customer service.?
