The 2020 ceremony has been cancelled due to the CDC guidelines surrounding COVID-19 but there will be a virtual event hosted by Emerald Coast Magazine which will help inspire and raise funds for The Junior League of the Emerald Coast, a female-run organization dedicated to promoting and developing the interests of women and the community.

The agency offers all kinds of insurance, catering to a wide array of industries as well as more specific needs within those industries. Getting in touch with Harris Insurance is very easy, as one can simply reach out and promptly be seen by one of the company?s friendly, experienced agents at any time during business hours. Signing by email is an option as well, allowing clients to apply for and receive coverage from Harris Insurance at their convenience.

Many clients have left excellent reviews praising Harris Insurance for a number of qualities, from the affordability of the insurance company?s coverage to the excellent customer service they are known for offering their clients. D. Smith, one of the company?s clients, says in their Google review, ?After contacting no fewer than five other companies and independent insurance companies who didn't seem interested in helping us, I kept Googling. I called Harris Insurance. A real person answered. Anita Pizzolato was so wonderful and very informative. She is patient with us newcomers who don't understand Florida well. We had coverage, knowledge and a friendly voice before we had responses from other companies.?

Another client, Janean Martin, says, ?I searched to find a different agency as I have recently been disappointed in the agency, I have been with for eight years. I am incredibly fortunate to have found Harris Insurance. I spoke with Kiana first, and she is a wonderful communicator. She then referred me to Lydia as my contact person. I cannot say enough good things about Lydia. She found a Homeowners Policy for me that I am very happy with. Lydia is extremely knowledgeable on products, calm speaking and a great listener, and I can say I have found an agency that I will stay with for many years to come. I am switching all of my insurance to her. Thank you, Lydia!?
