

Carpet Cleaning Company in Panama City, FL Explains Their Protective ScotchGard Service

February 25, 2021

February 25, 2021 -

Panama City, Fla. ? One of the best ways to save money is to prevent the need to spend it. This is exactly what CCS Floor Care, a floor cleaning company in Panama City, FL, helps clients do through their professionally applied Scotchgard service. Because Scotchgard is such an effective way for clients to save money, CCS Floor Care is taking a moment to explain exactly what this protective tool is.

Scotchgard is a protective barrier that can be applied to carpets, upholstery, rugs, and any other furniture or flooring that includes fabric material. When applied, the protective barrier appears invisible, yet it is very strong. It repels any liquids that make their way onto the fabric and threaten to soak in and create a nasty stain. With Scotchgard protection, the liquid will essentially sit atop the protective barrier, making the substance appear to be floating on the fabric instead of immediately soaking in. This barrier can also prevent allergens and dirt from entering into the depths of the fabric.

CCS Floor Care states that their Scotchgard protection application can help clients maintain their rugs,

carpets, and upholstery in between cleanings. This prevents the fabric from aging quickly, and it helps the furniture piece or flooring from looking worn-out. In turn, this prevents clients from having to prematurely replace their loved, carefully chosen items and flooring.

For over 30 years, CCS Floor Care has had the opportunity to serve their Panama City community with effective, carefully planned out cleaning processes. They offer a variety of professional cleaning services, such as carpet cleaning, rug cleaning, tile and grout cleaning, and hardwood floor cleaning. Each CCS cleaning technician is experienced and knowledgeable, able to perform the optimal cleaning processes on each client?s unique, individual home. For more information or to receive a free quote, give CCS Floor Care a call today at (850) 265-4204 or visit their website at www.floorcare911.com.
