March 09, 2021 - PRESSADVANTAGE -

The New York, NY based IDTO Immigration DNA Paternity Testing Center is pleased to share that they are providing DNA testing services for families who require immigration DNA testing to submit evidence to USCIS, US Passport Agencies and US Embassies. Since their establishment in 2004, IDTO has worked with the goal of providing families an opportunity to experience informative, professional and affordable DNA relationship testing services. Today, the company offers professional DNA sample collection and DNA testing services to families not just in the United States, but also around the world.

In addition to DNA testing services for immigration purposes, the IDTO Immigration DNA Paternity Testing Center also provides Paternity Testing, Sibling DNA testing, Grandparent DNA testing, Maternity Testing and more. The company is proud to share that fast and accurate results will be provided within 1-3 days, with an option available for same day results as well. IDTO assures that all DNA testing samples will be performed and processed under strict supervision with a partner AABB-Accredited Parentage Laboratory.

The center employs professional and experienced DNA sample collection technicians with over 10+ years of experience in the industry. In addition to offering high quality services, the company also asserts that appointments can be made quite easily, and no one will have to concern themselves with the possibility of hidden fees or other costs being tacked on. In certain parts of the United States, the IDTO Immigration DNA Paternity Testing Center also offers Mobile DNA collection services. All of IDTO's DNA testing results are recognized by the USCIS, embassies, passport agencies and family court. USCIS DNA Testing standards are extremely high and they only consider results of DNA testing conducted by an AABB-Accredited lab.

Mr. Harvey of the IDTO Immigration DNA Paternity Testing Center states, "Whether you are DNA testing for immigration purposes, legal reasons or just for your peace of mind, you can be sure that IDTO will give you accurate results. We have been in the business since 2004 and have earned our place as one of the oldest and most reliable New York based DNA testing companies that is trusted by both legal and medical

professionals.?
