March 16, 2021 -
West Cobb Dentistry, a dental clinic in Kennesaw, Cobb County, Georgia, has received multiple glowing online reviews from its patients. The reviews have been posted on the clinic?s Google My Business page.

A review posted by Kathy Gringas says, ?Greeted in a friendly manner as soon as I walk in the facility. All areas clean. Everyone is pleasant and professional. I?ve been a patient there for over 10 years. I anticipate remaining a patient there until I retire from life.?

Another review by T Jks says, ?Truly a top-notch operation. Excellent and empathetic care and well ran business. They keep their end of an 'appointment'. I have never been subjected to an unreasonable wait.?

A review by Paul Baudo says, ?Everyone was outstanding there as usual. Definitely, the reason my family and I have been going there for 15 years! Special shout-outs to Kasey, Brittany, and Dr. Harding for their outstanding service to me today! Thank you!?

A review by Rachel Hunter says, ?Today was my first experience at West Cobb Dentistry and I couldn't be happier. Everyone was very friendly and professional. My hygienist Kelly did a great job. I was also very happy that they were able to get me today as a new patient due to a cancellation when I would have otherwise had to wait until April for an appointment due to the COVID backlog!?

A spokesperson for the dental office reacted to the positive reception by saying, ?We are very happy with the recognition of our hard work. It tells us that we are definitely doing something right and it keeps us excited and working hard to serve all the patients who walk through our doors. We are focused on our goal to be the best dentist office in Kennesaw and the reviews just validate our efforts. The reviews encourage us to continue our work with the same zeal and enthusiasm every day. Come to our office today and experience the gentle and compassionate care we provide that has made us popular with our patients.?

Speaking on the dentist?s core philosophy, the spokesperson says, ?For us, the patient comes first. We try our best to put them at ease because we know that some people can be apprehensive about dentist appointments. Through the use of the latest technology that leverages all the recent advancements in dentistry we provide top-level and premium quality comfort, compassion, and genuine care to all our patients. We don?t just offer quick-fix solutions. Our aim is to provide gentle care that takes into consideration the patient?s long-term health goals. We want to form long-lasting relationships with our customers. When a patient comes to us, they know that they can trust us to put their best interests first.?
