Newnan Chiropractic Clinic Cautions Against Delaying Treatment for Car Accident Victims

March 11, 2021

NEWNAN, GA - March 11, 2021 -

Arrowhead Clinic in Newnan, Georgia, is a top name for the treatment of car accident victims. The top chiropractic clinic advises victims to immediately seek medical care after the incident as some symptoms do not show up for hours or days after the accident. They discuss this in more detail in a blog post here: https://www.arrowheadclinic.com/newnan/see-a-car-accident-chiropractor. Dr. Traci Autera, the top car accident chiropractor in Newnan, has years of experience in treating whiplash and other auto accident injuries. ?Your primary care doctor may be able to treat minor injuries from a car crash, but it's still in your best interest to see a chiropractor so they can determine the full extent of the damage,? Dr. Autera said.

Dr. Autera explains that chiropractors are specialists in treating the source of injury compared with primary care doctors that prescribe painkillers to mask pain. A victim of a car accident in Newnan, GA, should see a chiropractor immediately after the accident, advises the auto accident doctor, warning that any delays can have physical and financial repercussions. Hidden injuries might become worse, says Dr. Autera, and can require extensive treatment later. ?The longer you wait to receive treatment, the harder it could be, and the more treatments you will need in order for you to make a complete recovery.?

The top Newnan chiropractor explains the importance of getting injuries documented and linked to the accident so that insurance companies cannot dispute the claim?s validity. ?They will argue that your injuries weren't serious or the result of the accident.? Some states require accident victims to have injuries documented within 14 days to file a claim or win a court case.

The top Newnan car accident chiropractor at Arrowhead Clinic has the expertise to help victims get rid of pain through professional chiropractic care. Arrowhead Clinic is known as a chiropractic pioneer that has been serving car accident victims for over 40 years. Car accident victims in the Newnan area should seek medical treatment with Arrowhead Clinic by scheduling a free consultation.

During the initial consultation, the Newnan chiropractor will enquire about accident injuries along with any medical history. Arrowhead Clinic's car accident doctors have the best tools and diagnostics to perform a thorough examination to diagnose the cause of pain and any hidden injuries. They are the top Newnan car accident doctors who are dedicated to working toward patient care. The medical staff at Arrowhead Clinic have a caring attitude toward patients and are committed to helping them come out of pain.
