Company Representative, Brekke Marquerite, made this statement, "We always welcome and look forward to reviews from our customers. It helps us to know how well we are doing to provide exceptional service to our clients. We are looking forward to making more impressions like this on more homeowners and property owners that have need of our services."

Benbrook Tree Service Experts is accepting new customers, and as incentive for those who have yet to try their services the company is offering discounts on all their services to new customers. The discounts apply to services such as tree trimming, tree removal, tree stump removal, and arborist services.

Benbrook Tree Service Experts have certified arborists on staff and guarantees one will be available to manage every client project to ensure the best possible outcome. The company's arborists are certified by the International Society of Arboriculture (ISA). The ISA requires arborists to have a minimum of three years of provable tree service work experience before they can be considered for their certification program.

Company Representative, Brekke Marquerite, stated, "Our certified arborists are experienced and very skilled. This provides us the ability to handle any size or type of tree service job. Homeowners and property owners can have peace of mind knowing their project is being handled by true professionals."
