Bend, Ore. - The Bend Express Employment Professionals is pleased to welcome Chris Petty as the new Franchise Manager. In his new position, Petty will be responsible for maintaining and overseeing the daily operations of the local job center. Petty can leverage his leadership skills, leading the franchise location's recruitment and sales effort.

Petty has been a part of the Express family since March 2017, having started as the Sales Manager at the staffing firm's sister office in Hillsboro. Before joining Express following college graduation, Petty spent seven years in retail managing a sporting goods store in the Portland area. Passionate about helping others, Petty's extensive experience in customer service has prepared him for his new role.

"Getting to help our local community is what I love most about Express. Be it with associates to help them find work or our amazing clients to help them find staffing solutions to continue to grow their businesses. We live locally and our main goal is to better our local communities every day," said Petty.

Originally from the Portland Metro area, Petty moved to Bend after obtaining his new position. As the franchise manager, Petty is responsible for maintaining a positive office environment and assisting his team in recruiting quality associates for the firm's clientele. Petty's love of sports and fun personality contributes to his ability to maintain a cohesive and enjoyable office atmosphere.
