Peoria, Ariz. ? Express Employment Professionals of Peoria was recently awarded the Express Skilled Trades Fast Track Achievers award, according to Pam Stenvall, Peoria Express franchisee. As the recipient of this award, the Peoria employment center is poised to offer quality Skills Trades positions to Peoria and the surrounding West Valley area for the upcoming year.

The Peoria Express office received the Skills Trades Fast Track Achiever Award because of hard work and dedication from its Skilled Trade and Engineering Consultant Paul Reese. The award was presented to the franchise location for excellence and achievements in Skilled Trades job opportunities that include construction, drivers, maintenance, welders, CNC machine operators, programmers and more.

?It is truly an honor to be recognized for these achievements,? said Stenvall. ?We?re so grateful for the support of our?community and the efforts of our staff, especially Paul Reese; that has made this award possible.?

To achieve this prestigious award, Reece had to show growth in Skilled Trades by billing 16 Skilled Trade clients within one week or hitting $60,000 in the gross margin above their baseline during their first 26 weeks. Through Reese and the rest of the Peoria team's hard work and dedication, the franchise accomplished this goal along with 18 other Express locations across the U.S. and Canada.

The Peoria Express Employment Professionals office began operation in 2015 and serves communities in Maricopa County, such as Peoria, Glendale, Surprise, Tolleson, and North/Northwest Phoenix, with temporary help and direct hire employees in a variety of career fields. They are a ?full service? staffing boutique that has three specialty divisions that include: Skilled Trades, Light Industrial and Office/Professional placement.
