Haberdashery And Fabric Retailer Suzie May Crafts Launching eCommerce Website In UK

March 15, 2021

Leyton, England - March 15, 2021 - PRESSADVANTAGE -

Suzie May Crafts is a London based retailer of haberdashery, fabrics and other craft materials. The family business was founded by two sisters with the support of their parents and extended family and has been serving customers across the UK for over a decade.

By keeping a keen eye for the needs of their customers, the sisters continued to source and grow their product range to stay relevant to customers' requirements. Their personalised service meant that the customers kept coming back for repeat business. Suzie May Crafts can now boast an army of loyal customers.

Besides retailing their products at their premises in Walthamstow, London, the company extended its reach to customers across UK by listing products on ebay. The Suzie May Crafts ebay store can be viewed here: <http://www.ebaystores.co.uk/suziemaycrafts>.

To expand their reach further and serve even more customers, Suzie May Crafts is now working to launch a brand-new eCommerce website.

Work on the website is running on enthusiasm and everyone within Suzie May Crafts has been contributing toward making the website as functional as possible to give a great purchasing experience to its online customers.

Those interested in being informed about the website launch can submit their email address by visiting the following link which will be the company's eCommerce website address soon: <http://suziemaycrafts.com>.

The new eCommerce website will showcase the full range of Suzie May products. The haberdashery section on the website will include articles like bias binding tape, bias piping, buckram, buttons, elastic, fasteners, ribbon, thread, trimmings, Velcro, and zips.

The fabric section of the website will include 100% cotton, 100% cotton muslin, antistatic dress lining, calico, chiffon, crushed velvet, denim, dress net fabric, felt fabric, fleece, interfacing, leatherette, organza, poly-cotton fabric, poly-cotton sheeting, scuba, silky satin fabric, tablecloth, voile and wadding.

Finally, there will also be a website section for curtain lining and associated accessories.

Suzie May Crafts is renowned for its excellent customer service and fast product delivery to the customer's doorstep. Helen P. left the following review for Suzie May, "Gorgeous fabrics delivered this morning! Thank you for very fast delivery and lovely quality."

Heather V.S. also wrote a glowing review stating: "Excellent delivery time. I only ordered yesterday morning and it arrived this morning! Fantastic! Thank you."

Anyone interested in experiencing the online shopping on Suzie May Crafts new eCommerce website is encouraged to visit the website address provided above and leave their email address to be informed when the website is ready.
