

Davis Tree Service Company Davis Tree Service Experts Release Customer Review Video

March 15, 2021

Davis, California - March 15, 2021 - PRESSADVANTAGE -

Local tree service company in Davis, CA, Davis Tree Service Experts has released a video of a customer's review from the company's Google Maps listing. In the video, the reviewer pointed out how professional the crew was during their removal of a large maple tree that had become a hazard potential. The customer was very pleased with the outcome of the job and highly recommended the company. The customer also rated Davis Tree Service Experts with a five star rating, the highest rating that can be given to a business on their Google Maps listing.

The complete video can be viewed at this link: <https://www.youtube.com/watch?v=HPd-7avK4Tg>

Company representative, Watsica Minh, stated, "Our customers are our highest priority and we welcome their feedback. Providing great service is what we strive to do for all our clients and we are happy to see we delivered for this customer."

Davis Tree Service Experts is a family-owned tree service with over 25-years of experience caring for the natural landscape of communities in Davis, CA. The stated goal of the company is to provide exceptional tree service to all residential and commercial clients looking to maintain or improve the natural surroundings of their homes and businesses. According to the company's website, tree removal is always a last resort and the safest methods are always used during the process.

A major benefit of working with a company such as Davis Tree Service Experts is they have a highly skilled team of certified arborists that manage every job. Certified arborists are very experience and knowledgeable about the specific species of trees in the Davis, CA region and know how to provide for their healthy growth throughout the seasons. They can analyze and diagnose disease then recommend the proper solutions to the tree owners. They know when it is the best time for tree trimming and pruning so the trees can flourish afterwards.

The certified arborists at Davis Tree Service Experts received their certifications through the International Society of Arboriculture (ISA). The ISA have strict guidelines when it comes to accepting arborists into their certification program. One of those requirements for consideration into the program is arborists are required to have a minimum of three years? experience in tree care.

Company Representative, Watsica Minh, stated, "Our certified arborists are very knowledgeable about caring for the health of trees. Having them on staff and managing all jobs puts us in the unique position to handle all types and size of tree service jobs. Our customers can have peace of mind knowing they have the best possible team providing exceptional service for the health of their trees".

Davis Tree Service Experts is accepting new customers and as an incentive is offering discounted rates on all the services they offer such as tree trimming, tree pruning, tree removal, stump removal and arborist services. Those interested in a consultation or to speak with a customer service representative should call 530-288-6335. Contact requests can also be made by visiting the company website at <http://www.treeservicesacramento.com/davis/> and completing the online contact request form.
