March 19, 2021 -
North Edmonton Kia, a Kia dealership in Edmonton, is offering many new and used Kia Sorento models for sale. Readers who are looking for a used Kia Sorento in Edmonton can browse the dealership's inventory at https://www.northedmontonkia.com/used-kia-sorento.htm.

North Edmonton Kia is a relatively new addition to Edmonton that is growing fast thanks to its dedication to excellent customer service. Most other auto dealerships in the region are corporate-owned. North Edmonton Kia is solely owned by Bob Aaltonen, an experienced auto dealer with over 20 years of experience. The dealership says that it aims to bring the feeling of family to the dealership visit by putting the interests of the customers first and foremost.

Kia has been crowned the best mass-market brand in initial quality for six years running from the J.D. Power U.S. Initial Quality Study. The Kia lineup contains models such as the Forte, the K5, Niro, Optima, Rio, Seltos, Sorento, Soul, Sportage, Stinger, Telluride, and many others. These models are a diverse mix of 5-doors, hatchbacks, sedans, and SUVs. North Edmonton Kia has a new and used car inventory of the aforementioned models that goes all the way from under $10,000 to up to $60,000 offering something that

will resonate with every buyer at every price point.

North Edmonton Kia provides easy financing for people with a wide range of credit situations. They try their best to qualify individuals who might have liabilities against their finances such as no or bad credit, being self-employed, being bankrupt, being new in the country, and other situations that might prevent one from availing of traditional financing options. The dealership promises to secure approval tailored for the buyer?s unique situation. The dealership says it has strong relationships with over 15 major lenders to get its customers the best possible approval.

Getting financing is as simple as following three easy steps. First, the customer has to apply for financing on the website or through a free consultation to start the process. Next, the finance team will review the application after submission. Finally, the dealership will get back to the customer with the results of the approval process. Customers can view the dealership?s Unhaggle profile at https://unhaggle.com/north-edmonton-kia/ to determine the best rates for their dream vehicle.

A review on its Google My Business listing by Habe Kitine says, ?David Truong, the sales manager, and Max Sesay, sales, at North Edmonton Kia are amazing! They hooked me up with a deal I couldn?t believe! I still can?t, lol! They are straightforward, take good care of you and most importantly they?re REAL with it. So if you?re looking for a car with a great deal, look for those two. YOU WON?T BE DISAPPOINTED!?

Another recent review by Brittany Sisco says, ?I had the pleasure of working with Erik to get me into a new 2021 Kia Seltos on Saturday, February 27. I had a trade-in that I was leasing, I told him my conditions and budget and they were able to get me into a vehicle that I love, easily the best dealership I have ever dealt with. They are the only dealership that didn't come back to me asking questions about my conditions or to see if I could change them. They did everything over phone and email to get me approved and the next day I was test driving - that afternoon I drove home in my new Kia! Everyone loves it - such a nice vehicle. I definitely recommend this dealership :)?
