MoldStar Remediation, Atlanta's most trusted mold remediation and mold cleanup company, announced their latest video in their series of Homeowner's Frequently Asked Questions. The video, now posted on their YouTube channel and website under their blog section is titled ?What's the Difference Between Mold Cleanup and Mold Remediation??. In the video owner and indoor air quality expert, Jeremy Shelton, discusses the differences between mold remediation and mold cleanup.

Mr. Shelton and his staff have provided Metro Atlanta with mold inspection, testing, and remediation services since 2010. Jeremy, has received multiple certifications in Water Damage Restoration and Applied Microbial Remediation through IICRC as well as certifications as a Microbial Consultant through the American Council for Accredited Certification. Shelton's industry certifications and years of professional experience have made him and MoldStar Remediation one of the top toxic mold cleanup companies in Georgia.

The company regularly receives reviews such as this on their Google My Business Page: ?MoldStar is one of most professional, responsive and reliable companies I have ever worked with. The staff and crew you can

count on, they do the job right and they were very sensitive during the critical process. This is a company of INTEGRITY.?

Homeowners located within Atlanta, Sandy Springs, Roswell, Marietta, and other surrounding Metro Atlanta areas suffering from toxic mold exposure are invited to speak with the MoldStar Remediation team to schedule a free consultation.

Real Estate Agents, Plumbers, Home Inspectors, and other local service businesses or licensed tradesmen or tradeswomen are invited to reach out to the MoldStar team to be featured on the resources page.
