March 19, 2021

March 19, 2021 -

Grant Percy Fencing a fence contractor company based in Bristol, United Kingdom has recently announced their newly restructured Fence Repairs service. The local based company has been working in the local area for many years.

Grant Percy Fencing specialize in all types of fence repairs, they provide a hassle-free service that is said to be great value for money. ?If you have a broken or missing fence panel or post then we are here to help,? said Grant Percy the owner and active member of the team. ?We will arrange a convenient time to pop out to your home and see the extent of the damage, we are a green minded company and where possible we will always try our best to repair your fence, but if the panel is damaged beyond repair then we will find the closest possible match so your new panel matches with the rest of your garden fencing, we always recycle what scrap wood we can.?

The fencing company website has details their professional advices, stating that they will always give an honest and professional opinion and offer a range of options so the customer has a good choice. Also the company explains that they will always offer the best price, often beating the bigger branded companies as an independent contractor Grant does not have the overheads that other company have and passes that

saving on.

Grants Fencing also offer a Fence Repair guarantee, Mr Percy explains, "With over 15 years experience in building and repairing fences, i am able to offer a superior finished fence, the products that we choose and are used are all high quality and we don't cut corners on installing and fixing the customers fence. This means our customers enjoy a beautifully fitted fence that will last for years. We offer a Fence Repair Guarantee and all of our work is of the highest standard and we only use quality products that will last, I give a full 8-year guarantee on all work carried out, so you can be certain your new fence will last for years to come."

There have been many storms over Bristol recently and that has meant many damaged fences. Grant Percy Fencing has seen a higher than normal demand for their services, Grant commented, "If you need work urgently then we can come and quote, but we have a large demand for your repairs at the moment, to avoid disappointment it would be best to book ahead. We are a small company and do not skip any steps to get work done quickly, if you want a quality fence repair then you just book to make sure we can offer you a booking."
