

Dentist In Livermore, CA, Dr. Brent Lin DDS, Has Launched A New Website

March 29, 2021

March 29, 2021 - PRESSADVANTAGE -

Dr. Brent Lin DDS, a dentist in Livermore CA, has launched a new website. The website lists all of the doctor's services and allows patients to book appointments from the comfort of their homes. The website can be accessed at <https://brentlindds.com/>.

The new website contains profiles of the doctor and all of the clinic's staff. The website also links to a blog that seeks to educate the clinic's patients on general dentistry. The website provides helpful information on all of the services the clinic provides. There is a FAQ section that answers all the commonly asked questions for each of the clinic's services. There is a form on the website to schedule an appointment with the clinic by entering personal contact details such as name, email, phone number, and a short message explaining the reason for the appointment. The website also provides helpful COVID resources for patients who are hesitant to schedule an appointment during the ongoing pandemic.

The dentist offers services such as Invisalign, dental implants, crowns, root canals, teeth whitening, cavity, toothache, and veneers. The doctor has over 20 years of experience and it shows. The clinic has a perfect 5.0 rating from over 80 reviews on its Google My Business page. The clinic also has a perfect 5-star rating

from over 25 reviews on its Yelp page. The level of quality provided is evident in the overwhelmingly positive feedback he has received.

When asked about his philosophy behind treating patients, Dr. Lin says, "I treat my patients as I would like to be treated myself. I'm completely honest and upfront about my diagnosis, giving my patients the information that they need to make the best decision for their own dental health. I believe in using the latest technology to provide the best level of healthcare. I don't cut corners because in the end humans only get one set of permanent teeth to last their entire life and it is important to treat them well. When patients come to me, they can expect top-notch service at affordable prices. We pay individual attention to everyone who walks in through our doors and the care we put in reflects in the stellar reviews we receive on a regular basis."

Dr. Brent C. Linn, DDS graduated with a Doctor of Dental Surgery degree from the University of Southern California in 1994. He started practicing in Palm Springs, CA as a dental associate. He later established his private practice in Northern California. He continues his quest for knowledge by receiving special training in other dental areas such as implant dentistry and the Invisalign teeth straightening system. He has also earned a certification in E4D Technologies laser scanning for creating custom crowns. He is a member of the American Dental Association and the Southern Alameda County Dental Society.

The clinic focuses on providing a safe and relaxing environment, supported by the use of the latest technology. The clinic uses Cerec 3D CAD-CAM, an advanced technology that creates a 3D image of the teeth, eliminating the need for temporary crowns and a second visit. The clinic also uses Panoramic/CBCT (Cone beam) Imaging which is an advanced diagnostic technology that takes only 14 seconds to take panoramic and/or 3D images of the skull to increase diagnostic capabilities. The clinic also uses state-of-the-art sterilization machines that are used by only 3% of practices. The clinic also uses a computerized anesthetic delivery system that achieves painless, efficient injections to patients. The clinic maintains computerized dental health records that enable patients to access their dental records online. The clinic's staff is also highly trained and licensed to meet all the challenges of a dental practice.

The dentist's office is open from 7:30 AM to 4:15 PM from Monday to Thursday. The clinic can be contacted at the phone number (510) 945-3647 or at the email id info@brentlindds.com. The clinic is located at 2545 East Ave Suite A, Livermore, CA 94550. The clinic serves the areas of Livermore, Pleasanton, Dublin, and San Ramon.
