Alco Disposal, a local dumpster rental company based in Lacey, is happy to inform local homeowners, businesses, institutions, and communities that it now provides affordable junk removal dumpsters in Toms River, NJ, and the surrounding areas.

Speaking during a recent press event, Jay, the company's owner, and spokesperson mentioned that serving his community has always been a dream. He further said that it makes him happy to do this by bringing accessible, affordable, and reliable junk removal and waste removal dumpster rentals nearer to the homes and business locations of Toms River locals and neighboring communities.

According to Jay, the company services Toms River, Lacey, Jackson, Brick, NJ, and surrounding areas. The company website also shows that the company frequently delivers junk removal dumpsters and waste dumpsters far beyond their listed service areas. Such deliveries usually attract an extra charge or delivery fee depending on their representatives' distance to make deliveries. Customers in these areas are encouraged to

call the company directly to schedule deliveries instead of using the online booking option.

Apart from junk removal dumpsters, the company also offers waste disposal dumpsters to renters in all its service areas. Their roll-off rentals are ideal for removing demolition waste and debris, removing junk from cleanout projects, and removing almost all types of waste from residential, commercial, and construction projects. Like any other reputable dumpster rental service, however, Alco Disposal has listed waste and items that it prohibits on its containers. Before scheduling a dumpster, it is essential to visit their website to see the allowable and non-allowable waste and junk items.

The company offers three dumpster sizes for rent which include; 10-yard dumpsters, 15-yard dumpsters, and 20-yard dumpsters. They claim to provide affordable dumpster rental prices in Toms River, NJ. Customers can rent their 10-yard dumpsters for \$299, 15-yard dumpsters for \$399, and 20-yard dumpsters for \$499 for a 1-7 day rental period. Their flexible dumpster rental terms allow customers to continue using their rental dumpsters even after their 1-7 days rental period elapses by paying an additional \$20 per day beginning from the 8th day of the rental.

The dumpsters also have different weight limits, and while a 10-yard dumpster has a 1-ton weight limit, 15-yard and 20-yard dumpsters have 2 ton and 3-ton weight limits, respectively. The company charges \$90 per ton for any excess weight loaded in a dumpster above its weight limit.

Alco Disposal is open every day from Monday to Saturday from 8 am to 6 pm. Although they have a 24-hour online booking option where customers can schedule deliveries, it is essential to note that the company is not open for business on Sunday. As such, they neither do deliveries nor pick-ups. They also provide same-day dumpster rentals in Toms River, NJ, and the surrounding areas.
