March 31, 2021 -

Baytown, Tex. ? A many residents of their community know Awards and Engraving is the leading producer of awards and custom trophies in Baytown, but what few may realize is that the team of expert designers specializes in a myriad of products. This month, Awards and Engraving is highlighting one of the most recent additions to their website, a custom gift-giving guide. From graduation gifts to celebrating a prometon at work, users can easily find and customize specialty items to suit any occasion.

Launched earlier this year, Awards and Engraving started their online gift shop to make it easier for members of their community to celebrate life?s special occasions. Located on the homepage of the website, the guide is broken up into sections to make it easier to locate the right gifts for the occasion. Business Gifts, Special Occasions, and Cooking Gifts are featured but the company offers a wide array of additional items to suit any need.

For those looking for something not listed within the guide, the website?s new customizable shopping tool

makes it easy for interested parties to submit their ideas and specifications directly to the team and receive a custom quote of their project. Using the ?Start Your Order? button on the home page or within the main navigation, customers then complete an easy-to-use 2-minute survey letting the team know what type of product they?re looking for, their desired completion date, and their vision of the perfect custom gift. Within the next 2 business days, they will receive a custom, tailor-made proposal of their complete order.

For customers already familiar with Awards & Engraving and looking to see their full online inventory of personalized gift items, they can visit the website?s ?Shop All? page for inspiration or peruse through their endless variety of personalized gifts, engraved specialty items, and more in their online inventory.

Awards and Engraving has been serving their community for the last 30 years and strives to be a resource for celebrations and recognition for their community.
