Carabin Shaw P.C. also has Spanish speaking attorneys and staff who can communicate with clients who may be more comfortable with this language.

In addition to all of this, Carabin Shaw P.C. provides contingent fee contracts. This means that they do not charge their clients if the firm cannot win their injury cases. They also provide free initial consultations. This aggressive legal representation has contributed heavily to the community's high praise of the firm.

TX Robman says in a testimonial featured on the Carabin Shaw P.C. website, "Initially, I wasn't satisfied with my case results, and I voiced it with my attorney. I thought it would just pass over as I know I'm just one of many clients. However, the next day, I received a direct call from Mr. Jamie Shaw and he was really concerned about how I felt with my case and spoke to me over the phone and even invited me back to speak with him in person. Mr. Shaw was very understanding, respectful and dignified. He really showed that he is passionate and holds a high standard of his law firm. He went beyond the extra mile to ensure that I understood and felt comfortable with the results. Not everything in life is perfect, so it's important to keep realistic expectations. But Mr. Jamie Shaw is the real deal. Thank you, sir."

Audra Morris says in another featured testimonial, "I have to say that the staff here was wonderful in answering my questions, hearing my concerns and getting me to the right places for treatments. Araceli Yanez has gone above and beyond to keep me informed and up to date on all activity. Not knowing what to expect, it's been nice to have someone helping with the process. If you need help, this is the place to get it!"
