

Junk Disappear Launches New Website Allowing Online Ordering for Dumpster Rental and Junk Removal

April 09, 2021

Cleveland, Ohio - April 09, 2021 - PRESSADVANTAGE -

Junk Disappear, a company based in Cleveland Heights, OH, is happy to announce that they have recently launched their new website that now allows online ordering for dumpster rental and junk removal. The new online booking system is easy to use and allows people rent a hook lift dumpster based on their schedule and anytime they want. A detailed form is also provided so people can obtain an accurate quote for the company's junk removal service. They offer same day service for both junk removal and dumpster removal.

Marvin Leak, a spokesperson for Junk Disappear, says, "Cleaning out your basement, garage, or attic? Need to get rid of that old junk that is just sitting around? If you're in need of junk or trash removal, give us a call. We can provide a rough estimate over the phone and schedule the job around your needs. Once we arrive, we will set a definitive price. At this point, all you have to do is sit back, relax and watch your junk disappear! We basically haul everything ranging from old appliances, construction debris, furniture, brush, and household trash. We do full clean-outs of basements, attics, garages, apartments and entire properties."

For dumpster rental, they offer two sizes of dumpsters. These are the 12 yard dumpster and the 15 yard dumpster. Customers will choose the size of the dumpster they want to rent and Junk Disappear will drop it off where the customer wants the dumpster to be placed. The customer has a number of days (usually five days) to fill up the dumpster. Junk Disappear will then pick up the filled dumpster and bring the junk to a waste disposal site, such as a landfill or a recycling plant. The rental price will depend on the size of the chosen dumpster and if there is an excess weight.

Customers can also use the new website to schedule a junk removal service. This will require three simple steps. First, the customer chooses a particular date and a two-hour window. Second, Junk Disappear will call the customer 15 minutes before arrival. And in the third and final step, if the customer agrees to the price, they will pick up the junk. The price will depend on whether it is a single item pickup, a 25 percent load, 50 percent load, 75 percent load, or full load. Their operating hours are from 8:00 am to 6:00 pm, and customers

can pick a two-hour slot for any particular day.

The service areas of Junk Disappear include Cleveland Heights, Ohio, and surrounding areas, such as Bay Village, Beachwood, Bedford, Bedford Heights, Berea, Brecksville, Broadview Heights, Brook Park, Brooklyn, Cleveland, East Cleveland, Euclid, Fairview Park, Garfield Heights, Highland Heights, Independence, Lakewood, Lyndhurst, Maple Heights, Mayfield Heights, Middleburg Heights, North Olmsted, North Royalton, Olmsted Falls, Parma, Parma Heights, Pepper Pike, Richmond Heights, Rocky River, Seven Hills, Shaker Heights, and more.
