Since we have already looked at the tree removal cost, below we will look at the average cost of other tree services:\r\n\r\nTree Trimming and Pruning Cost\r\n\r\nHiring a professional to trim\/prune a single tree can cost anywhere between $80 and $1,000+, with the typical price range being $250 to $500. Expect $80 for your small tree, $175 for the medium-sized tree, and about $250 to $1,000 for a tree featuring a height of over 50 feet.\r\n\r\nNote: Things like diseases, accessibility, pests, etc. can also affect the tree trimming cost\r\nsignificantly.\r\n\r\nStump Removal Cost\r\n\r\nThe average stump removal cost ranges between $60 and $350 per stump depending on various factors such as accessibility, type of tree, and most importantly, stump size. If you have a large stump featuring extensive roots on your property, you should expect the complete stump removal cost to be on the higher end.\r\n\r\nIf the cost of completely removing the stump is out of your affordable range, you can opt to grind the stump.
