

Vox Security Celebrate An Increased Amount Of Glowing Customer Reviews

April 12, 2021

April 12, 2021 - PRESSADVANTAGE -

Vox Security Limited a Gateshead-based security, fire and electrical company is pleased to share and acknowledge the support they have received from the local communities they serve throughout the North East of England. Details on the local clinic are available here: [Vox Security Limited](#)

This past year has been difficult for many businesses, with lockdown in place they have been running an emergency callout and limited services. The fact that Vox managed to work within these restrictions and still receive glowing reviews has made the company take note and reach out to thank their customers.

"We wanted to reach out and personally thank our local community for their continued support," said Mr Steinberg the company owner. "The last year has been an extremely difficult time for business and the public. The fact that they have taken the time to express how well we have been working has meant the world to not only myself but all of Vox Security's staff. I would like to take this opportunity to say a big thank you to my employees for working so hard and keeping true to our company ethos."

Here are some of the recent comments the company have received, Mr Klyne said, "Vox Security provided

an excellent service. They came on the same day that i called. Explained to me the problem and tidied up the mess. Thanks, Highly recommended.?

Jack Barnett from Gateshead left, ?VOX provide a highly efficient and competent service.? Chaim levy a local resident commented, ?Insightful advice, quick clean job beautiful finish! Thanks guys!?

Claire Fisher from Sunderland left a more detailed review for the company, she said, ?I wholeheartedly recommend Vox Security, they came to my rescue when an electrical fault caused all of our alarm systems to fail, not only did they come out to us extremely quickly after hours, but they also managed to find and fix the fault there and then. I was truly amazed by their speed response, friendly manner and how they managed to get it all done, Vox are my ?go-to? company from now on.?

Vox Security Limited?s website offers more information on the security company and its services. Prospective customers can also request a preliminary quote for initial work through this space. Their website can be accessed here [Vox Security Ltd.](#)
