Ultimate Flags Celebrates More 5 Star Reviews

April 20, 2021

Okeechobee, Florida - April 20, 2021 -
Ultimate Flags is a company that is known for going the extra mile for its customers. This has led them to be on the receiving end of many glowing Ultimate Flags reviews. Included in this are several highly complimentary reviews that have been left in the last few weeks. This is a source of great pride for this patriotic company that carries many USA-made products. They are America?s oldest online flag store and it?s a company that was started to help people celebrate the virtues, history, and ideas that they cherish and wholeheartedly believe in. The company ownership had directly descended from Paul Revere himself.

These are some of the most recent 5-star reviews that have been left on Ultimate Flags Services. Barbara Etter wrote, ?Great service, great unique products, and their response to email questions are faster than any other site I?ve been on. They make you feel like you are part of the family/team. I highly recommend anything they send you!? Marty Jacobs stated, ?I just received my 5x8 US 13-star flag. Excellent craftsmanship. This was my third flag from Ultimate Flags and the latest addition to my collection of historic flags and I think this is the best yet. If you want a quality product, I can strongly recommend Ultimate Flags.? James Todd proclaimed, ?The order was processed, shipped, and received within 5 days. The flag is the best made, that I have seen. A heavy cotton, sewn not printed. Well worth the money. These folks will get my business in the future!? All of these reviews were taken from the company?s Google Maps Business Listing where Ultimate Flags has an impressive average review score of 4.9 out of a possible 5-stars.

One of the main complimentary points in many reviews on the company is the quality of the flags, banners, and other products that Ultimate flags offer. They can be made of anything from simple and less expensive polyester to being higher quality all-weather nylon printed flags and banners. Ultimate Flags even carries embroidered and military-grade products. Current military members, veterans, and military organizations are among their biggest customers. Many reviewers also like the fact that they have other sources they can use to search out and find Ultimate Flags products besides just their website. This includes shoppers being able to view products on Pinterest. Often highlighted in reviews of the company is the large selection of flags that they offer. This includes patriotic American flags that represent everything from the current flag of the USA to

replicas of the original Betsy Ross flag. They have collections that let people voice their opinions about how they feel about 2nd amendment gun rights and the Confederate States of America?s place in history too. Other collections feature flags that represent all 50 states, flags from other countries, and even custom-made flags are available. Some review highlights center on Ultimate Flags expedited shipping practices and customer service. Ultimate Flags has a reputation for processing and packaging their orders very quickly and then shipping them directly to wherever they need to go. Many of their customers remark how impressed they were that the flags, banners, and other products they ordered from the company arrived so quickly.

Jonica Hough, the company?s spokesperson, says, ?We take great pride in the high ratings that we often receive on the reviews that our customers leave on our services. It?s a huge compliment for how hard we work to satisfy our customers and it spurs us on to continue to do our jobs to the very best of our abilities. Our company also is proud of the fact that we offer a simple means for people to display their patriotism and other beliefs and subjects that are very close to their heart. After all, freedom of expression was thought to be so important by our forefathers that they wrote it into the very first amendment of the constitution.?

Hough added that many descriptions and quality photos of their products are available for viewing on their Ultimate Flags Store -Site and they pledge to be very responsive when it comes to handling their customers' questions and concerns regarding their orders or product inquiries.
