

VitaVersa Website Upgrade Shows New Product Line

September 24, 2015

September 24, 2015 - PRESSADVANTAGE -

VitaVersa, a home and kitchen business in Portland, OR, has announced an upgrade to the company website. It now shows their brand new home and kitchen product line. Additionally, they have launched their Elite Club through their website. Signing up to this club will give people the opportunity to receive significant discounts and free gifts.

"Our new website is designed to give people information about our products, but also about other things we believe to be important," says Freida Peters from VitaVersa. "We will include articles on home and kitchen products and reviews on the various products we sell and others in the industry."

The element of reviewing is focused on very strongly by VitaVersa. Those who sign up to the free Elite team club will be able to receive significant discounts in return for their honest reviews. Some products will even be provided for free. VitaVersa understands how important reviews are in terms of informing consumers about the features and quality of products they are interested in.

All VitaVersa products are sold through the Amazon storefront. This page is linked to the new company website. To celebrate the new website, the company's flagship product, a beautiful bamboo cutting board and serving tray, is provided at a significant discount of 66%. It is now available for just \$15.99. To take

advantage of this offer, customers are asked to enter code TWJLBDWU at checkout.

The current coupon code is also posted on the company's Facebook page. Continuing to focus on reviews, they ask all customers to give them a like on www.facebook.com/brandvitaversa. On the site, interesting updates and news items will be posted, as well as information on any current special offers and discounts. Additionally, it is an opportunity for customers to leave reviews on their experiences with the various products offered by VitaVersa.

The Facebook page aims to act as a type of community, where people can ask questions and discuss their needs and experiences in a public way. Various reviews have already been shared at the website at www.vitaversa.com as well, as a way to say thank you.
