Cool Roofs in New Braunfels TX Works With San Marcos Academy on Their Renovation Project

April 15, 2021

New Braunfels, Texas - April 15, 2021 -
New Braunfels, Texas. New Braunfels Roofing - Cool Roofs Inc. is honored to have had the opportunity to work with the San Marcos Academy located in San Marcos, Texas on the new development of Davidson Hall.

Davidson Hall is a beautiful development located in the heart of San Marcos, Texas; lead by general contractor Scott Thompson of the S.B. Thompson Group. The building was constructed for additional classrooms that will host lower-grade classes.

Cool Roofs was contracted to install the roofing portion, parapet walls, gutters, and metal siding around the exterior of the building. Material for this project was supplied by Blake and his team Quality Metals located in New Braunfels, Texas. The Cool Roofs crew installed 10,300 sq. ft. of .24 gauge standing seam commercial metal roofing system.

Cool Roofs Inc. is committed to supporting the military and veterans. They have worked on military bases across the country, re-roofing onsite residential barracks. The company has worked at Fort Carson Colorado, Tyndall Air Force base in Panama City, Florida, and Naval Air Station in Pensacola, Florida.

This is on top of the Commercial and Residential roofing services that Cool Roofs Inc. also provides.

Being a local commercial and residential roofing firm, it was a great honor and privilege to have had the opportunity to work on this project. We look forward to continuing our mission in providing value to our central Texas customers in assisting with any and all roofing needs. Contact a representative today to schedule a roof inspection.
