Company representative, Kermit Wattson, stated, ?We welcome honest reviews from our customers. Their reviews help us to know how well we are doing. We are happy we were able to get the results this customer

needed and we look forward to providing an exceptional experience for others in need of our services.?

Escondido Tree Service Experts is a family-owned tree service with over 25-years of experience caring for the natural landscape of communities in Escondido, CA. The company?s goal is to provide exceptional tree service to all residential and commercial clients looking to maintain or improve the natural surroundings of their homes and businesses.

Trees are very important to the environment. When asked about their stance on tree removal, company representative, Kermit Wattson stated, ?As a responsible and ethical tree service company, tree removal is never our first option. Our certified arborists will try and save every tree they can. However, in some cases tree removal is necessary. We always use the safest methods available if the job calls for a tree removal to protect client?s property and everyone involved.?

Escondido Tree Service Experts? certified arborists receive certification through the International Society of Arboriculture (ISA). The ISA is a worldwide organization that serves the tree care industry as a membership association and a credentialing organization that promotes the professional practice of arboriculture.

Escondido Tree Service Experts is accepting new customers and offering discounts on their services this spring season. Their services include tree removal, tree trimming, risk assessment, stump grinding, and arborist services.
