Company representative, Clair Yars, stated, ?Great reviews like this makes us happy. Our customers are our top priority and we are excited to have been able to provide this client with an exceptional experience. We

look forward to doing the same for others in need of our services.?

Philadelphia Tree Service Experts is a family-owned tree service with over 25-years of experience caring for the natural landscape of communities in Philadelphia, PA. The stated goal of the company is to provide exceptional tree service to all residential and commercial clients looking to maintain or improve the natural surroundings of their homes and businesses.

Philadelphia Tree Service Experts specialty is tree removal. However, they only recommend tree removal as a last resort. Company representative, Clair Yars, put it this way. ?Trees are very important to the environment and as an environmentally conscious business we strive to save every tree we can. Our certified arborists are experts and if tree removal is the recommendation, they will always use the safest methods available to get the job done to protect clients? property and everyone involved.?

Philadelphia Tree Service Experts have certified arborists on staff that manage every tree service job to ensure the best possible results. The company?s arborist receive certification from the International Society of Arboriculture (ISA). The ISA is a worldwide organization that serves the tree care industry as a membership association and a credentialing organization that promotes the professional practice of arboriculture. All arborists are required to have a minimum of three years? experience in tree care prior to consideration for acceptance to the ISA?s certification program.
