

Louisville Tree Service Experts Release Customer Review Video

April 20, 2021

April 20, 2021 -

Local tree service company, Louisville Tree Service Experts has released a video featuring the review of a recent customer on the company?s Google Business listing. In the review, the customer details their experience with the company and their opinion of the services they received. In the review, the customer pointed out the reason for contacting the company was to service an overgrown yard consisting of bushes, weeds, trees. The customer noted the crew did a great job and turned the area ?into an oasis.? Upon completion of the job, the crew provided detailed instructions of how to care for and maintenance the new plants. The customer rated the company with five stars, which is the highest rating a company can receive on their Google Business listing.

The full video review can we seen here at this link: https://www.youtube.com/watch?v=gsIuAraAeyM

Company representative, Emil Vizcanio, stated this about the review. ?Our customers are our highest priority and their honest feedback is equally important. We are very happy we were able to provide an exceptional

experience for this customer and look forward to doing the same for others in need of our services.?

Louisville Tree Service Experts is a family-owned tree service with over 25-years of experience caring for the natural landscape of communities in the Louisville, KY area. The stated goal of the company is to provide exceptional tree service to all residential and commercial clients looking to maintain or improve the natural surroundings of their homes and businesses.

A benefit of working with a company such as Louisville Tree Service Experts is they have certified arborists on staff. Every tree service job is managed by one of these certified arborists to ensure the best possible results.

Certified arborists are experts in tree care and can help tree owners maintain their trees and see continued healthy growth. Louisville Tree Service Experts? certified arborists receive certification from the International Society of Arboriculture (ISA). The ISA is a worldwide organization that serves the tree care industry as a membership association and a credentialing organization that promotes the professional practice of arboriculture. The ISA requires arborists to first have a minimum of three years? experience in tree care prior to consideration for acceptance into their certification program.

Louisville Tree Service Experts is accepting new customers. As incentive, the company is offering discounted services this spring season. The services include tree trimming, tree removal, stump grinding, and arborist services. Those interested in scheduling a consultation should contact the company?s customer service at 502-335-4889. Online quotes can also be requested by visiting the company?s website at https://www.louisvilletreeservices.net/.
