Ana Correa, President of Correa's Cleaning Service, says, "We're happy to announce that we now serve the entire Indianapolis metropolitan area. Our professional home cleaning team can take care of the details with regular residential service. Our residential cleaning services encompass the kitchen, bathrooms, common areas and bedrooms. And we also provide reliable, high quality commercial cleaning services for your business or office. Whether you have a small office, busy store, or large commercial suite, our team will ensure that your space stays hygienic and orderly. Our commercial cleaning appointments include sweeping, vacuuming, mopping, dusting of services, kitchen cleaning and bathroom disinfection."

The professional cleaning services offered by Correa's Cleaning Service include: mopping, vacuuming and sweeping of floors; dusting of furniture and surfaces; wipe down on all appliances; cleaning of the bathroom

toilet, shower, tub and sink; kitchen clean-up including surfaces, stove, and sink; hallway cleaning and dusting; making of beds; emptying of trash; included cleaning materials and tools; commercial and residential disinfection; and additional services as requested. They can also provide deep cleaning services for the refrigerator, blinds, oven, and ceiling fans.

There are a number of factors that distinguish them from other cleaning services. These include their more than 15 years of professional cleaning experience; flat rate pricing; competitive prices; background checks for all cleaners; inclusion of professional cleaning supplies and tools in the price; secure and efficient online payment; and 100 percent satisfaction guarantee. They will discuss with the homeowner or property owner a number of things before accepting a particular cleaning project. These include the: total square footage of the home or building; number of bedrooms; number of bathrooms; scheduling requirements; presence of pets; and additional requests.

The kitchen cleaning service they provide includes a wipe down of the cabinets, oven range, countertops, microwave and other appliances. Furthermore, they will scrub the sinks and empty the trash cans. Their standard house cleaning procedure will include bathroom disinfections. Their bathroom cleaning process will also include the: wipe down of the counter tops, cabinets, sinks, shower, bathtub, and mirrors. They will also clean the toilet and empty the garbage cans. Bedroom cleaning will include dusting, making the beds, and vacuuming.

Correa's Cleaning Service will also ensure that family room, living room, and hallways are clean when providing their standard home cleaning services. They will vacuum and mop the floors, empty trash bins, clean mirrors, dust surfaces, dust any reachable lighting fixtures and switches, and wipe the baseboards.

Aside from their standard cleaning services, they will also offer deep cleaning services that can be added for a small fee. Deep cleaning will include refrigerator, windows, blinds, oven, and ceiling fans.

Meanwhile, those who have experienced the kind of cleaning service they provide have provided them with highly positive reviews. One example is Nina C. who said, "We recently found Ana and her team when we relocated here to Carmel and we couldn't be happier with their service. They are very professional, friendly and flexible. It's a huge help as I am currently working from home, with 2 kids, and 3 dogs and have little extra time to clean! We so appreciate their work ethic and being extra careful around our house, with at risk family members, and wearing masks addressing our COVID concerns."
