

PAY AFTER DELETION CREDIT REPAIR

SAY NO TO MONTHLY CREDIT REPAIR FEES

Pay After Deletion Releases New Credit Repair Affiliate Program

April 22, 2021

Kannapolis, North Carolina - April 22, 2021 - PRESSADVANTAGE -

Kannapolis, North Carolina: Pay After Deletion Credit Repair Based in Kannapolis, NC the creator of the Pay After Deletion | Pay Per Deletion pricing option for consumers in 2011 is pleased to announce the availability of their long awaited affiliate program.

The pay after deletion credit repair affiliate program at the time of this writing pays \$45 to participating affiliates per enrollment. According to the company founder Danny Garcia, "The combination of our \$45 commission rate combined with the much higher closing ratio due to our pay after deletion payment program will provide hard working affiliates with consistent results and a great return on their investment." He went further on to say, "A great strategy for affiliates is to put us up in a head to head comparison with the traditional monthly payment credit repair companies and let the consumer decide what option best suits their needs."

About Pay After Deletion

Pay After Deletion is a credit repair company that was founded in 2011 on the premise that customers needed an option that didn't revolve on the old and outdated monthly payment options. A business model that is more inline with the federal regulations outlined in the Credit Repair Organizations Act requiring payment after services are rendered Pay After Deletion remains the market leader in the pay after deletion/pay per deletion segment of the credit repair industry.

PayAfterDeletion

A company that breaks the normal credit repair industry tradition and allows clients to pay AFTER items have been deleted. No longer do consumers have to "Pay and Pray" that something will be removed when enrolling with a credit repair company.
