April 22, 2021 - PRESSADVANTAGE -

Philadelphia, PA - The sexual abuse attorneys from Abuse Guardians are pleased to have the opportunity of opening a law office in the heart of Philadelphia, PA. For more information on the law office location, visit: <https://abuseguardian.com/sexual-assault-lawyer/pennsylvania/>

The new law office is located at: Abuse Guardian, 1435 Walnut St #700-B, Philadelphia, PA 19102, USA, (215) 515-9889.

"For decades, our law firm has been assisting victims of sexual harassment in Pennsylvania. We're hoping to better represent the survivors in the area from our new Center City office. Opening a law office in Philly will also allow our legal team to become a lot more active in community events and activities," Brian Kent, a managing partner at the practice, explains.

Abuse Guardian has a dedicated staff of sexual abuse attorneys in Philadelphia, as well as attorneys who specialize in sexual abuse, child abuse, and human trafficking cases. They've also brought lawsuits against a variety of massage spas, schools, churches, and more.

Mr. Kent goes on to share, "When the criminal justice system fails at protecting the rights of sexual abuse and assault survivors, its crucial that those individuals have access to dedicated sex crimes attorneys that can advocate on their behalf."

Abuse Guardian serves the following local neighborhoods, among many others, from their newly-opened Walnut Street location: Center City, South Philadelphia, University City, West Philadelphia, Southwest Philadelphia, Kingsessing, North Philadelphia, Cobbs Creek, Kensington, Port Richmond, Bala Cynwyd, and Roxborough-Manayunk.
