April 22, 2021 -

Mt. Vernon, NY - Banville Law, a Mount Vernon personal injury firm, is looking forward to conducting a webinar on various forms of medical malpractice and misconduct in hospitals. For more information on their law office, visit: <https://banvillelaw.com/personal-injury/westchester/>

Their Westchester law firm can be found at: 11 W Prospect Ave #37, Mt Vernon, NY 10550, USA. To contact the legal team with any questions, call: (914) 825-4117.

"Hospital neglect occurs when medical practitioners refuse to keep their commitment to providing their patients with a standard quality of treatment. As a result, patients are seriously injured. Malpractice can have serious and life-threatening effects, but knowing what to look for could save you or a loved one's life," explains the managing attorney at the firm, Laurence Banville.

The webinar will be held on May 3, 2021, at 6 PM through Google Hangout. If you'd like to register, please email info@banvillelaw.com.

Mr. Banville goes on the share, "We hope that by doing this webinar, we will be able to provide you with valuable information on what questions to ask, what to watch for, and what to expect when dealing with others in the medical industry. However, whether you are the victim of a medical incident or an injury, our team of Mt. Vernon personal injury lawyers will stand at your side and fight for you."

From their law office in Westchester, the legal team will be extending its services out to the surrounding areas of Mount Vernon, including but not limited to, Dunwoodie, North Side, Nodine Hill, Tuckahoe, Kingsbridge, Village of Pelham, Wykagyl, Cedar Knolls, South Side, North Riverdale, Wakefield, Fleetwood, Eastchester, Parkside, Bronxville, and Woodlawn Heights.
