Pensacola, Fla. ? Award Masters, a local Pensacola awards shop, recently provided George Blake, Milton High School?s head baseball coach, with a plaque to recognize his accomplishment of becoming the Cat Pak Coach of the Week.

The Cat Pak Coach of the Week is given to coaches in Cat Country that have positively influenced the kids they coach. Winners of the award are chosen via nomination. Athletes can nominate their coach on the Cat Country 98.7 website: https://catcountry987.com/the-cat-pak/coach-of-the-week/.

Earlier in April, George Blake was the recipient of the Cat Country Coach of the Week award, and Award Masters was given the privilege to create a plaque for Blake to hang on the wall of his office. Award Masters is proud to be a part of recognizing a person who has had an impact on children in a way that only a coach can.

?Coach Blake pushes the players to be the best students and ball players that they can be. He tries to make sure that each and every one of his players is also an upstanding young man. He looks at the potential of each player and works to help them find their best self. He is an amazing example of what a coach can be,? says Cat Country 98.7, quoting Sarah.

Award Masters has been providing custom awards, trophies, plaques, corporate gifts, and promotional items to the Pensacola community since 1981. These products are on display in their storefront, located on North Palafox Street, and nearly every one of these products can be customized with an engraving, adding an extra level of personalization and significance for the recipient.
