

## **Arrowhead Clinic in Marietta Explains How Chiropractors Help After A Car Accident**

*May 06, 2021*

Marietta, Georgia - May 06, 2021 - PRESSADVANTAGE -

Arrowhead Clinic in Marietta, GA, has published a blog post explaining how chiropractors help victims of car accidents. Dr. Erin Riley asserts that victims of auto accidents need to see a doctor to treat visible and hidden injuries, saying "your first priority has to be your health." The blog post can be read here: <https://www.arrowheadclinic.com/marietta/do-chiropractors-actually-help-after-a-car-accident>. The top Marietta car accident chiropractors at Arrowhead Clinic can diagnose hidden injuries, prevent them from turning chronic, customize the best chiropractic treatment, and refer the victim to a trusted personal injury attorney.

Dr. Riley warns that not all car accident injuries are immediately apparent, adding that some hidden injuries can worsen over a period of time. The best Marietta chiropractor is skilled in chiropractic adjustments to help with the patient's physical recovery. They are aware of the urgency to prepare proper medical documentation of the victim's injuries to speed up their recovery and present strong legal proof against the negligent party. Car accident treatment in Marietta is aimed at healing soft tissue injuries and repairing torn, sprained, and strained muscles, tendons, and ligaments.

?The longer you wait to have these injuries examined, the more likely you are to develop complications from your injuries,? warns the best Marietta chiropractor at Arrowhead Clinic, which offers same-day appointments.

Chiropractic care at Arrowhead Clinic is aimed at reducing pain, stiffness, and inflammation, improving blood circulation and range of motion, and improving mobility. The blog post shares some tips to drive safely on the road to avoid accidents. Chiropractic treatments help prepare a person to better handle their body in a car crash. Regular chiropractic care in Marietta is one of the best ways to strengthen the body for an injury. In a previous press release, Arrowhead Clinic in Marietta explains crucial steps to take after car accidents.

The Marietta chiropractors at Arrowhead Clinic specialize in treating accident injuries from car accidents, bike accidents, motorcycle accidents, bus accidents, pedestrian accidents, truck accidents, and more. Waiting for too long for treatment is a mistake, warns Dr. Riley, adding, ?If you wait too long to receive treatment, minor injuries can turn chronic, and scar tissue can become a permanent part of your muscles and tendons, reducing your range of motion.? The accident victim?s personal injury claim can also suffer if there is a large time gap between the car accident and treatment. A same-day appointment with the Marietta car accident chiropractors can help victims get timely diagnosis and treatment for injuries. Arrowhead Clinic is a one-stop destination after an auto accident. Their expert team of chiropractors are available for a free consultation at 770-961-7246.
