Due to their quality services and dedication to client satisfaction, Best Rate Repair has earned great reviews on numerous platforms. Michael Spatuzzi says in a 5-Star Google review, "When we were looking for someone to replace and expand our old redwood deck, we were immediately impressed by our contact with Benny. His familiarity with our needs and his willingness to stay in communication, even while traveling, were very helpful. We also had specific desires regarding the type of wood, which he met readily. When Robert and Adam arrived to do the work, their friendliness was great, but more importantly, the skill they exhibited in the work was fantastic. They could listen to ideas as well as suggest them, and it was a pleasure working with them."

The review continues, "Having done construction work in the past, I know the difficulties in dealing with an area that needed to be raised up and was also not square in most of its dimensions. The angles, the cuts and the joints are beautifully done and a pleasure to see. They created a work of art and craftsmanship. Thank you, Best Rate!"

Sandra Bacal says in another 5-Star Google review, "Best Rate did a superb and professional job treating my home for termites. James Johnson did an exceptional job, and I feel secure knowing my home is in safe hands and is protected. They are dependable and true to their word, and will treat your home with respect and care. James Johnson and Ed Avalos did an excellent job inspecting the premises, and James Johnson did the very thorough treatment. Other companies that came and gave extremely high estimates were not as thorough, did not check up in the attic or go through crawl spaces. I highly recommend Best Rate! Thank you again, James Johnson and Ed Avalos."
