May 14, 2021 - PRESSADVANTAGE -

WasteAway Dumpster Service, a company based in Lockport, NY, is happy to announce that they have recently launched their new website. They are a locally owned, full-service waste disposal company that provides bins or dumpsters for any commercial and residential projects. They have many years of experience and countless satisfied customers. They have been providing roll off dumpster service all over the Buffalo metropolitan area including Lockport, North Tonawanda, Clarence, Pendleton, Amherst, Tonawanda, Williamsville, Niagara Falls, and Wheatfield. And for those whose locations are not in these areas, the waste disposal company may also provide their services with some extra fees depending on how far the location is from the service areas. Whether customers require a bin or dumpster for small or large debris removal, they can provide it at a competitive price.

Nicholas Stanton, a spokesperson for WasteAway Dumpster Service, says, "We're excited to announce that we have just launched our new website. And we hope that with this new and updated website, those who visit our site will easily find what they are looking for. Just remember that if you are looking to rent a roll off dumpster from a reputable company that can fit your practical and financial needs, we have years of experience and countless satisfied customers and we have you covered."

WasteAway Dumpster Service offers waste disposal solutions for just about everything. Examples of the services they can provide include: refrigerator disposal, mattress disposal, garbage disposal, yard waste disposal, construction waste disposal, foreclosure cleanouts , trash removal, furniture removal, appliance removal, hot tub disposal, and more.

They offer a simple online booking system through their new website and this is where customers may be able to rent a dumpster at any time they want and based on their schedule. The dumpsters are of convenient sizes to ensure that they can easily be placed on the property of the customer. The dumpsters can be positioned on driveways for ease of pick up and drop off, and they can hold enough material for any sized project.

There are two available sizes of roll off dumpsters available for rent at WasteAway Dumpster Service. These are the 15 yard dumpster and the 20 yard dumpster. The 15 yard dumpster measures 14 feet in length, 8 feet in width and 4 feet in height and can hold up to six times compared to a pickup truck load. The 20yard dumpster measures 14 feet in length, 8 feet in width and 6 feet in height and can hold up to eight times compared to a pickup truck load.

WasteAway Dumpster Service also offers Bobcat services where they will go to the client's location and eliminate all of the junk, small structures, and construction materials as required and then dispose of them. They also have the equipment for removing concrete where pricing will be dependent on the thickness and quantity of concrete.

Those who have tried their service have had positive things to say about WasteAway Dumpster Service. For example, David S. gave them a five-star rating and said, "I needed a dumpster over the weekend. I didn't get a chance to call till Saturday Nick was good to offer to drop off the same day which make the weekend very production to get all the stuff I needed trash from my house. Extremely professional and responsive beyond my expectations. I would recommend this business and would reuse them. Thanks again.?"

Jay B. says, "This dumpster rental company is punctual and reliable. Booked online and had a dumpster in a matter of a couple hrs. Very professional, will most definitely use this dumpster rental company again.?"

Those who are interested in renting a roll off dumpster for junk removal for their specific project can check out the WasteAway Dumpster Service website at <https://www.wasteawaywny.com/>, or contact them on the phone or through email. They are open from Monday to Friday from 7:00 am to 5:00 pm and on Saturdays from 8:00 am to 12:00 pm.
