Bach Construction, A Custom Home Builder in Atlanta, GA, Launches New Website

May 13, 2021

May 13, 2021 -
Bach Construction, a custom home builder and remodeling company serving Atlanta, GA, has recently announced the launch of its new website. The new website, developed by home services marketing expert Alex Laldin, showcases the company?s work and services.

When asked about the new website, owner Cliff Hendricks had this to say, ?I knew that in today?s age, I had to be showcase the business and our work online. So, when Alex and Andy came highly recommended to us we knew we needed to work with them. In our business customers want to see the quality of your work and we believe our new website showcases that.?

Hendricks and the Bach Construction team, have been building and remodeling homes in the Atlanta area for the last 25 years. Operating under RLCO 003622, Bach Construction is licensed and insured and up to date on county and city codes.

To learn more about Bach Construction, interested parties may contact Cliff Hendricks. They may also visit the company?s website for further information or connect with them through their social media profiles to stay up to date with the latest news and developments. The latest news regarding the company and their projects can be found on their website page, labeled ?News Room?.
