

Pest Control Savages Adds New Member To Crew Next Week

May 17, 2021

Bakersfield, California - May 17, 2021 - PRESSADVANTAGE -

The newest member of the Pest Control Savages company will be joining their team on Monday, November 5th. Jeff Steele is set to begin his job as a technician for the company and will be based out of Bakersfield, CA. He has been working in pest control for over 10 years and feels excited about his new position in the growing pest control company.

"It's always exciting when you can add someone like Jeff who brings that level of experience," said Dan Smith, CEO, and founder of Pest Control Savages. "We will be able to use all of his knowledge about the industry and put it towards growing the company in the right direction." Jeff was referenced by a trusted friend that's already a part of the Pest Control Savages team. This should help bring some growth to an otherwise growing company with lots of potential while keeping it small enough so they can focus on making their services the best they can.

The company currently has six employees, but they are planning to double that amount by the end of this year. Pest Control Savages aims to be a top-of-mind pest control service provider for residential and commercial clients in Bakersfield, California. They primarily focus on termite prevention as well as general pest removal services such as roaches, ants, rodents, etc.

"We're looking forward to having Jeff join our team so we can start doubling our efforts," said Dan Smith. "It's going to allow us to take care of more people at an even higher level." The company plans to release new pest services next month which will make them one of the most versatile pest control companies in the state.

Jeff Steele, who will take on the position of Pest Control Savages' newest member of staff, is excited to start his new job. "I have a lot to offer and I'm looking forward to meeting people in Bakersfield," he said. "It's been a goal of mine for some time now." Jeff has experience with a wide variety of pest infestations from bed bugs to termites.

Termite and Pest Control Miami is the pest control service provider you can trust. Their team of experts will be glad to help make homes or offices completely free from termites, rodents, bed bugs for good. With their extensive experience in this field, they have developed a plan that works best for any size property, those interested can contact them here.
