Real Restoration Group Named to Inc.?s 2021 Best Workplaces List for the Third Consecutive Year

May 17, 2021

Chicago, Illinois - May 17, 2021 -
Real Restoration Group (RRG), a company with a track record of success and award-winning construction firm proven in residential, multifamily, retail, hospitality, and commercial sectors, has been named to Inc. Magazine?s 2021 Best Workplaces List for the third consecutive year. RRG was also named a winner in the revenue category of ?Prosperous and Thriving? and the company stage category of ?Established Excellence? by Inc. Magazine.

This was no small feat, as this year?s field of entries was the most competitive Inc Magazine has ever seen. In 2021, tens of thousands of companies applied to be recognized as one of the best workplaces in America. From the many remarkable companies vying for the award, only a fraction are being honored as Inc.?s 2021 Best Workplaces. Clearly, Real Restoration Group has gone to extraordinary lengths to attract, develop, and maintain its workforce.

Among tens of thousands of submissions, Inc. honored only 429 companies for this year's Best Workplaces. Recently celebrating 10-years in business and just off the announced expansion to the South Florida / North Miami market, Real Restoration Group is seemingly on pace for a disciplined growth strategy and the recognition marks another milestone in making the right decisions to re-investing in the company's culture and community.

"We are honored to stand out among many great companies as one of Inc.'s Best Workplaces of 2021," said Morris Gershengorin, founder and chief executive officer of Real Restoration Group. "This demonstrates our commitment to a strong and resilient company culture. I?m extremely proud of how our team has come together in a very challenging environment. Our employees have consistently shown how we are intrinsically connected as a company and within our communities."

Collecting data from tens of thousands of submissions, Inc. singled out 429 honorees this year. Each

nominated company took part in an employee survey, conducted by a third party, on topics including management effectiveness, perks, and fostering employee growth. The organization?s benefits were also audited to determine the company?s overall score and ranking.

"In the midst of a global pandemic we acted swiftly to prioritize our employees' health, safety, and quality of life," said founder Morris Gershengorin. "The past year presented us with an opportunity to overcome many challenges and we responded with a renewed focus on our shared passion for our mission and core values."

The Best Workplaces list can be found in the May/June 2021 issue of Inc., with the full list of honorees featured online at: https://www.inc.com/best-workplaces/2021.
