

Temecula Nissan Welcomed into Pedder Auto Group Family

October 24, 2014

October 24, 2014 - PRESSADVANTAGE -

Temecula, CA ? The owners of Pedder Auto Group have announced their purchase of Temecula Nissan, formerly known as Quality Nissan. The new Pedder Auto Group dealership is set to open its doors to the Temecula community very soon.

David and Elizabeth Pedder, owners of Pedder Auto Group, say they look forward to introducing the Nissan dealership to the Temecula community. According to the Pedders, Temecula Nissan will offer quality vehicle inventory and spectacular service. The Pedders say they are excited to get to know the Temecula community and are ready to provide excellent service and sales offers.

Temecula Nissan will provide a wide inventory of new, used, and certified pre-owned vehicles. The new dealership will host a large selection of Nissan cars, trucks, SUVs, crossovers, and even hybrids for sale. Temecula customers can test drive an array of new Nissans arriving on the market, including the 2015 Nissan Versa, 2015 Nissan Altima, 2015 Nissan Frontier, and many more. A large stock of used and and certified pre-owned vehicles will also offer the performance and style expected from Nissan customers at an affordable price.

Continuing with Pedder Auto Group past practice, Temecula Nissan will frequently run new vehicle specials. Competitive quotes for trade-ins will be offered, along with attentive customer service. The Temecula newcomer plans to house a professional sales staff that is friendly and dedicated to helping buyers find the perfect vehicle. Serving the Temecula community, the newly arriving dealership endeavors to become the premier provider for Nissan in Temecula Valley CA.

Temecula Nissan also plans to equip a state-of-the-art facility for service, repairs, parts, and accessories. Express service will be offered for any Nissan vehicle need, including oil and filter changes, multi-point inspections, battery replacement, and tire rotation and balance. Visitors can stop by the parts department to shop for genuine Nissan parts and accessories. Service and parts representatives will be on-hand to help address any and all vehicle concerns and order specialty Nissan parts if needed.

Customers can also take advantage of attractive financing specials offered by Temecula Nissan. The Temecula Nissan finance center will aim to help customers get pre-approved for the vehicle they want. Special offers will also include low APR financing incentives, rebates, and lease specials.

Pedder Auto Group will soon become part of the Temecula community with the opening of Temecula Nissan. For more information, visit the Temecula Nissan website.
