

Top Appliance Store in Chilliwack Offers Best Prices, Best Quality, No Exceptions

May 27, 2021

May 27, 2021 - PRESSADVANTAGE -

Chilliwack, BC - JNB Appliance Wholesale's success rests on its wide selection of leading brands and draws customers from across the Fraser Valley.

When it comes to finding the best prices for some of the leading brand name appliances available, residents of Chilliwack, Abbotsford, and beyond lean heavily on JNB Appliance Wholesale. As an overstock appliance retailer and premier dealer in scratch and dent, open box, returns, and new and clearance appliances, the company has become synonymous with an excellent selection, quality, and service. Since opening its doors at 45965 Alexander Avenue in 2018, the company's inventory and selection have grown tremendously and it is well-known as a primary competitor for big box stores in the area.

JNB Appliance Wholesale's wide selection includes top-shelf brands such as Moffat, Samsung, GE, Haier, LG, and more. The company also offers on-site repair, delivery, and installation services.

“When we opened the store, we really wanted the focus to be on offering the best prices without sacrificing service,” JNB Appliance Wholesale owner and operator John Matina says. “We knew our prices were going to be the best, but we never wanted to become complacent on that core tenet alone. Everyone wants a good price, which is not hard to figure out. When you couple that with unbeatable service, and can consistently make that happen for every customer experience, then you know you are really doing something right.”

Heavily discounted items, peerless levels of personalized in-store service, and convenient on-site delivery have all combined to make JNB Appliance Wholesale LTD one of the fastest-growing appliance retailers in the region, and it is not hard to see why. The JNB name has become a trusted brand on its own with no end in sight to the company’s forward momentum, especially as the area grows and new home construction remains at a healthy pace. The company even won as a finalist on the coveted “A-List” for 2021, which is a local award organized by the Chilliwack Progress, and consumer voting drives the contest to arrive at finalists for various categories.

“We are very grateful for the opportunity to serve customers in and around Chilliwack, and are proud to continue offering the best prices for the best products available,” Matina says. “We encourage anyone considering a new appliance to give us a visit so we can prove to them how great we are at what we do, and they’ll be surprised at how much they can save.”
