Severe injuries can impact one's capacity to work, as well as medical bills and, in some cases, long-term implications. The goal of this webinar is to educate slip and fall victims on their legal options for seeking compensation for their injuries," explains Keith Kofsky, the managing lawyer at Philly Slip and Fall Guys.

The slip and fall lawyers in Philadelphia have been representing clients who have suffered injuries caused by slipping on wet floors, icy sidewalks, cracked or broken walking surfaces, and falling on stairwells.

The Philadelphia law firm works mainly with residents and extends its legal services to the surrounding area, including Chestnut Hill, Roxborough, Kensington, Harrowgate, Manayunk, South Philadelphia East, West Philadelphia, Germantown, and Port Richmond.

For those interested in claiming a spot for this webinar, it is being held on May 31, 2021, at 6 PM through Google Hangout. To sign up, email info@phillyslipandfallguys.com.
