May 28, 2021 - PRESSADVANTAGE -

Baytown, Texas ? As the COVID-19 vaccines become more widely available, leaders across the country are encouraging their communities to aid in the recovery of small businesses by shopping local. A small business owner of an awards company in Baytown, Awards and Engraving, is thankful to have not only survived the worst of the pandemic but is grateful for the community who made it possible.

Over the last year, local businesses across the world have faced unprecedented difficulties. In an effort to adjust to the ever-changing conditions of the COVID-19 pandemic, many retailers have sought out new and creative ways to adapt. The awards and recognition companies are no exception.

Without the typical sporting events and awards ceremonies that historically have driven the recognition industry, Awards and Engraving looked to providing their community with products to aid them in remaining safe during the health crisis. The company began producing custom face masks, custom face shields, and safety barriers as well as working with local charities such as United Way and the Hearts and Hands of

Baytown to help support the community that has long supported them.

While Awards and Engraving certainly felt the effects of the pandemic, the support they have received from their community continues to bolster the company's outlook on their future.

Awards and Engraving has been serving the Baytown community since 1991. Over the last 30 years, they have worked tirelessly to deliver only the best service and the highest quality products to their customers. The company showroom is located at 1214 Massey Tompkins Rd, Baytown, TX 77521 where they display their large variety of products, such as sports trophies, medallions, engraved plaques, and corporate awards.
