CARDIFF, WALES ? RM Plumbing & Electrical, a leading plumber and electrical contractor serving South Wales, announced today that they are now offering 24-hour-per-day, 7-day-per-week availability for all of its services. The new round-the-clock service offering is needed for customer with plumbing or electrical emergencies and special scheduling situations.

?Working with people in this area for so many years, we?ve learned that your plumbing never has a sense of when it will be convenient for you to break,? said Ryan Murch, owner of RM Plumbing & Electrical. ?Plumbing and electric invariably pick the worst possible times to go on the blink. For this reason, we?re committing to be the Cardiff plumbers you can call and confidently expect full service no matter the time of day. We are not the only plumbers in Cardiff, but we are increasingly becoming a lot of customers? first choice.?

RM Plumbing & Electrical offers an expansive portfolio of services, including plumbing, heating, gas, electrical and renewables, as well as kitchen and bathrooms. The company works with products from Baxi, Vaillant, Glow-worm, Viessmann and Worcester. They can install boilers and gas cookers, fix burst pipes, install radiators, solve hot water and toilet problems and handle virtually any electrical issue that might arise in a home or commercial setting. They also provide commercial service contracts. All of the company?s

technicians are trained and certified.

For bathroom and kitchens, RM Plumbing & Electrical offers extensive room fitting services. These include plastering, ovens and gas hobs, cookers, fridges and tiling. The company can repair disabled toilets and refit kitchen plumbing. They can also work with interior designers and architects to achieve the look that aligns with the homeowner's vision of how the kitchen or bathroom should appear.
